On a rather ordinary day, Cender sat on the park bench, relaxing and enjoying his free time.

A sudden notification on Cender's phone interrupted him from his daydreaming.

Mauricia, a mysterious and enigmatic figure that had always possessed a unique connection to the mystical forces that surrounded her, observed Cender from a distance.

Marvelous news! Cender got accepted to an amazing, exciting job opportunity! As the information of his acceptance sank in, Cender's face lit up with happiness that radiated like a beacon.

On the other hand, for Mauricia it was the opposite. Mauricia, led a seemingly ordinary life, unless her secret magical powers. Every now and then, her special abilities would surfaced in moments of heightened emotion. Jealousy, however, was the strongest trigger for Mauricia's magic and seeing Cender enjoying his newfound success made her so jealous, it sparked something very intense inside her.

Her envy grew so intense that Mauricia, overwhelmed by negative emotions, cast a spell out of spite. This curse, fueled by jealousy was meant to make Cender hate everything about his life.

The enchantment took hold, and a sudden wave of despair washed over Cender as his once-joyful aura shifted drastically. And this was just the beginning, the curse went even further...

The next day was supposed to be the first time in Cender's new job. But when he woke up in the morning, he couldn't move. His legs seemed like they were paralysed. Cender got very scared and called his brother Viousa to come and help him.

Brother, what happened?!

I have no clue! I just woke up and I couldn't stand.

Viousa takes Cender to the hospital.

We have no idea what's going on; your health is perfect.

Viousa leaves the hospital frustrated and worried about his beloved brother.

The next day, Cender's worry grows stronger. He anxiously awaits the doctor's finale examination results. Finally, after what feels like a century for Cender, the doctor arrives.

Viousa arrives, trying to learn the results from Cender, but Cender remains silent.

Eventually, they leave the hospital together. But now with Cender in a wheelchair.

A few months later:
Cender tries get on a bus
at the main square in
Nicosia.

Chauc (a unique dance coach) was watching from a distance. Chauc, a retired professional para-dancer, has been in a wheelchair since birth.

Hello, excuse me, I can't get on the bus.
Could you please help me enter with
the ramp?

I'm afraid it won't be possible. We don't
have ramps here. Now move. I have to
get going. I don't have time for this.

Calm down, my child;
take a breath.

Who are
you!?!?

I am Chaoc,
a para-dancer.

A para-what!?

A para-dancer.
Let me invite you
for a coffee, I will
explain you
everything.

I had no idea about para-
dancing and the community.

Chaoc and Cender on a
caffee together.

Few months later: Cender started training with Chaoc.

Now, do you think you can para-dance in an international competition?

One year later

Me? In a competition? Are you crazy? Of course not.

Yes, you, my child. You can outshine them!

Of course, my child, I'll be there for the entire journey.

Okay, but Chaoc, you'll be there, and together we'll win the trophy.

One year later: International para-dance competition

Cender lost himself in the dance and music. He shines like the brightest star on a dance floor.

Congratulations, para-dancers; may the dance be with you! Now let's proceed to the evaluation.

The final results are in: Cyprus with Cender is 1st!

YEAH!

When you dance, emotions multiply and you radiate happiness! Look around yourself! It's incredible what you've done. All these people are cheering for you.

Congratulations!

Cender is moved by watching the crowd shouting his name and all the love and he is receiving in that special moment .
