In a world of sound, the Blind Bassist named Alex, found his place

The concert approaches to it's end...

Little did he know, a different kind of music awaited him

The Blind Bassist is on his way home, when...

Oh no! What is happening? Someone is in danger.

Alex, running through the city streets with an almost mystical speed.

Ok, let's go!

It's time

Let's take everything!

Are you hearing something?

A weapon of harmony, not destruction!

Some strange sound

POW!

With a powerful swing, Alex strikes the strings.

Police is approaching the crime scene

Police, please back off.

You are under arrest!

It was an honor to use my power for a good purpose!

Thanks for your help, young man

The police took the robbers and that's how with Alex's help things turned out good

Each of us can be a Superhero!
